Whats it all about?

We are offering creative sessions on a pay as you go basis.

We believe that creating art isn't about right or wrong.

Art doesn't have to be difficult, a space where anything goes.

A chance to explore your creativity whatever your ability.

We love to have fun!

So what's on offer?

Paint Bowling:

It's bowling, but not as you know it! We have a digital 3,2,1 countdown and applause sound affects! You can create unusual marks and get a high score!

Pollock Painting:

Have you ever wanted to create your own Jackson Pollock canvas? Make paint swing from the ceiling? It's a chance to experiment with paint and is especially beneficial to those with limited movement.

Tyre Rolling:

Come along and create your very own tyre rolling art work. Experiment with giant and small tyres. Enjoy the sensory experience of rubbing paint on the tread and watch the wheels go! We have remote control cars which can race through paint!

And many more...
