COVID-19 vaccination services available in North Tyneside

Vaccination services are available now for people who have not yet had their first vaccine.

There are different types of vaccination services available in North Tyneside.

You do not need an appointment to attend walk-in services, however, if you have your NHS number that would be helpful.

You can find this on any letter or document you have received from the NHS, including prescriptions, test results and hospital referral letters or via the NHS App.

Please only attend walk-in services for a first dose. If you have already had your first dose please keep your existing appointment and attend as planned.
