**Wednesday 30 June 2021**

**9.30am-12.30pm (online registration 9.25am)**

## Did you know .....

- Over 300,000 children have a parent sent to prison each year
- More children experience parental imprisonment each year than divorce
- These children are more than twice as likely to suffer mental health problems than their peers
- 2/3 of boys with fathers in prison go on to offend themselves.

This online awareness course is for all professionals whose work brings them into contact with families of prisoners, including health, education, local authority, police, probation or community/voluntary workers.

Hidden sentence awareness training gives you an insight into the specific issues experienced by children and families of prisoners and the resources available to you, to help you to support these families.

## Learning outcomes

- Understand the impact of imprisonment on prisoners' families
- Understand the support needs of prisoners families
- Understand the needs and wishes of prisoners families
- Increased awareness of the range of resources available for professionals working with prisoners' families.
