LD:NorthEast have delivered personalised holidays since 1997. We take the time to find out exactly what you want and design your break around your personal interests and budget. We then use our expertise to create a bespoke holiday to your exact requirements.

All you have to do is turn up and enjoy!

We offer every kind of experience imaginable, day trips, activity holidays, camping, glamping, theatre and city breaks to name just a few. The list is endless! We can organise holidays for you and your friends to enable the cost to be shared or you may wish to go on a holiday with a group of people with the same interests as you. Just tell us your requirements and desires and we'll organise everything!

Prices vary depending on your holiday requirements and the support needed, which is tailored around your needs.

LD:NorthEast provide a wide range of socially inclusive support for families, adults and older people affected by learning disabilities. Call us now to find out how we can support you.
