

Easy Information Service

The new 'Accessible Information Standard' means Easy Read information has become more important than ever

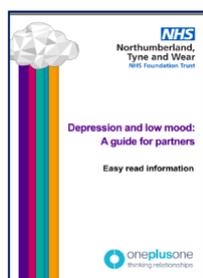

Skills for People have been producing high quality Easy Read information for thirty years

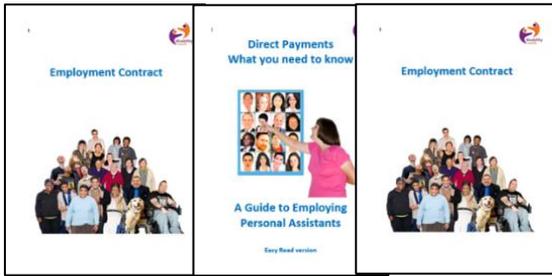

Here are some examples of our work

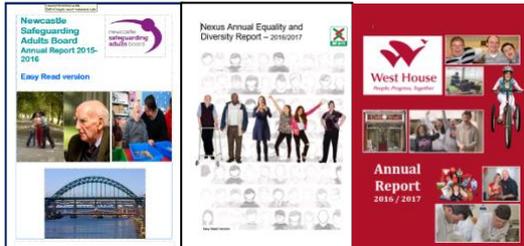

A report on a Serious Case Review and a report on Operation Sanctuary which looked at the sexual exploitation of children and vulnerable adults by grooming gangs

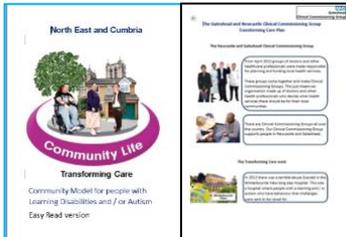

Depression and Low Mood – A Partners Guide for Northumberland Tyne and Wear NHS Foundation Trust

A range of guides to support the management of Direct Payments

The Annual Reports for many different organisations

A range of work around Transforming Care

Accessible Information Standard Guide for NHS England

Many surveys and reports for Nexus

Various consultation documents for the NHS

Detailed guide to facilitating an engagement work-shop for Sunderland Clinical Commissioning Group

Various letters and reports for different Clinical Commissioning Groups

Some comments from our many from satisfied customers

'That's spot on!'

'Well done for summarising such a long report'

'Thanks very much. This is looking lovely'

'It's better than the standard print version if you ask me! It's perfect - thank you so much'

'Thanks very much...we will definitely use you again, should we need anything similar doing in the future'

'Thanks ever so much for the 2nd draft of the workbooks - they are looking splendid!'

'Timescales are tight, but we do really appreciate you prioritising this for us'

'It looks great'

'Personally, I think this looks really good and you've done a great job on what is a long and complex report'

'I think this is a great draft ... of a 'not very straightforward' plan!'

'This is really good'

Let us help you with your Easy Information!

We use photosymbols, take original photographs and use our customers own artwork

We take great pride in making our pictures fit the words. If we need to we will use software to combine and change images to ensure they meet your needs

We take our relationship with our customers very seriously. For example, we have a very fast turnaround, we will make as many changes as needed until you are completely satisfied, and we will change the style of the document according to your tastes

All work will be created and 'quality checked' by our team of people with learning disabilities and /or autism
